Dear Friend of Shuswap Trails,

Many of you are long-standing members and supporters of the Shuswap Trail Alliance (STA) and we want you to know how much your membership means to us. Your membership fees, in the amount of \$20, assist with planning and building trails on the ground in the community, but more than that, your involvement in the STA as a member demonstrates to our partners and funders that we have strong support in the community. Many of you are also our strongest allies in the bush. As you walk and bike the trails you often are building, clipping, snipping and flicking to clean up the way for others. Thank you all for your contributions to our amazing Shuswap Trail Alliance

We recognize that several trails were impacted by this year's devastating Bush Creek forest fire. While it may take a couple of years, we do know it will take time and funds to re-build, asses and re-open many of the impacted trails and we are committed to working with partners to make this happen

We only have one class of membership, Corporations will require a designated person to represent your interests with the STA. Family members register as an individual, including youths of any age. Each membership requires a name and contact information for us to fulfill our society bylaws, so that each member will directly receive emails, specifically for the AGM and their voting rights.

All members of the STA will be entered into our database and will receive our E-Bulletins, this is our way of notifying our members of the AGM and weekly news in our community. You may unsubscribe at any time. Please note that if you unsubscribe our AGM is normally held in May and information can be found on our website in our Events Calendar.

Memberships are from January 1 to December 31, no matter when in the calendar year you purchased the membership. Memberships purchased after October 31st will be for the next year.

Memberships can be renewed online:

<https://www.shuswaptrailalliance.com/membership.php> with CanadaHelps, by completing the form on the reverse.

• E-Transfers to: **membership@shuswaptrails.com**

Finally, we ask that you consider making a donation to support the STA. We issue charitable tax receipts for all donations over \$20. Thank you again for your support! It is very much appreciated.
