

Attending: Isabel, Mary, Dan, Mark, Adrian, Diane, Joedine, Chris

Regrets: Ray, Jim.

Distribution: Isabel, Mary, Dan, Ray, Jim, Sutra, Phil, Veda, Adrian, Mark, Kevin, Diane, Joedine, Chris

Cc: office admin, Chris Larsen, Curt Olson

1. **Previous meeting notes:** There were no meeting notes for April 15 as the time consisted of a walk-about to see the location of the snowdog storage container, the LHT bridge over E Canoe Creek, the gazebo and the realignment of the toilet/entry points.
2. **Vehicles on the trails: Adrian** Truck reported and filmed driving on Flying Nun & PPT, has been passed along to the City Bylaw officer and the RCMP.
3. **Closure of trails near the gun club: Isabel** Closed for safety reasons since realignment of range. All other access along 70th St SE is private property. Any future for new trails will require collaboration with property owners. Diane may approach the Deye's to see if there is any appetite for access on their property.
4. **South Canoe master plan & TOR update: Adrian** TOR has been approved by the STA Board of Directors and was sent out to the advisory.
5. **Signage update: Adrian**
 - a. Metford FSR intersections – The trail exit was evaluated during a trail building workshop which was put on by RSTBC. The recommendation from that is that we have to change the intersection. It essentially allows for too much speed as mountain bikers enter the road.
 - b. Secwepemc Landmarks Sentinel project – Elders have been to assess the area and recommend putting it at Upper Schitzo entrance and viewpoint/landing area. Good road access. Members of the advisory concur with that site.
6. **Winter trail grooming: Dan**
 - a. Storage container – bike club is just getting insurance in place.
7. **EQ upper loop & lower Climb EQ reroute: Jim/Adrian**

Tread is in on EQ reroute. Some finishing and signage posting needed. Will be finished in next few days.
8. **Parking lot redesign – unsanctioned jumps: Adrian**
 - a. Gazebo progress – no further information.
 - b. Unsanctioned jumps got fixed and gaps filled. The work was done by volunteers.
 - c. Adrian is tracking volunteer hours at least to the extent they notify him of their time. They do have to fill out the waiver in order for them to be tracked.
 - d. Outhouse will be moved in mid-June.
 - e. City will continue with planned improvements over the season such as horse trailer parking and increased parking area.
9. **Ida View – creek crossing bridge – Adrian: update**
 - a. Section 11 notification has been sent.

- b. Social trails above E Canoe creek on city property – Greenways committee needs to be in the loop and in agreement. There is quite a bit of activity there now. Access is unclear.
- c. Horse Council provided \$5,000 grant – thanks Isabel!
- d. Essential that the Louws are notified before any work is done. A formal meeting/notification needs to happen, also reassurance that gates will be in place. Mary Howard (secretary of the South Canoe Water Users) will ensure email from Adrian is forwarded to the entire group, and specifically received by the Louw's.

10. Brushing at radio tower - Mark –nothing done yet, but it will happen over the summer.

11. Dogs off leash chasing horses in and around Klahani Park and on the trails. The lower trails appear to have become an off-leash dog walking area for Salmon Arm. Safety for children and Equestrians is a concern.

12. Potential Black Road to South Canoe link: on hold

13. Salty Dog – May 14-16, 2021 – cancelled.

14. Other dates: Cyclocross – tbd, Lewiston Ultra - Sept 25/26, 2021

15. Next meeting June 17, 7 pm – via Zoom.
